Dear Chuck:

Many thanks for Quincy Preserves' check in the amount of \$1,000.00, to Friends of the Dr. Richard Eells House!!

We are most pleased to add Quincy Preserves to our list of UNDERWRITERS, with your selection of the children's 1830s roped bed, the bedside table, both cherry wood, and the brass chamberstick, a very nice "ensemble".

Your support and that of your associates is especially welcome at this time of a slimmed economy and still-present needs. I believe that we will probably use your dollars to re-point most of the outside west wall, to stop seeping dampness, so that we can finish wallpapering our dining room!

Sincerely,

A handwritten signature in dark ink, appearing to read "George", with a large, sweeping flourish extending from the end of the name.
