Time on your hands.
Almost a bygone era.
Almost.

Whether you need to rejuvenate tired muscles, minds, relationships--or simply unwind, The Kaufmann House is the respite you've been longing for.

Built about 1875 in the Queen Anne style, the Kaufmann House has been beautifully restored by its present owners, Emery and Bettie Kaufmann. They'll treat you to **SPACIOUS BEDCHAMBERS** with **FRESH, CRISP LINENS**, **LUXURIOUS TOWELS** and **ANTIQUES GALORE**. Not to mention a **GOURMET continental BREAKFAST** of **HOT SCONES**, **croissants**, **SWISS FINGERS** and fresh fruit, to name a few...all served to you on about the prettiest table you've ever seen.

So, come. Relax. And prepare to be pampered.
