Quincy...twice an all-america city

Quincy, IL has the unique distinction of having won, on two occasions, the prestigious All-America City Award. In 1962-63, and again in 1984-85, Quincy was one of only eight cities in the United States to receive this honor. Our community is proud of this recognition, and of the quality of life that earned it.

There are outstanding exhibits of prehistoric and historic North American Indian artifacts—ceremonial stones, flint artifacts, pottery, trade beads, basketry and others.

Chinese terra cotta figurine of horse and rider from T'ang Dynasty 615-675 A.D.

Richly colored period furnishings grace a first-floor sitting room. The entire floor will ultimately be restored to its original Victorian charm.
