

*Contemporary designer chairs. The Best Seats in the House Exhibit.*

Gardner Museum of Architecture and Design participates in an annual summer residency program in cooperation with the School of Architecture, University of Illinois, Champaign-Urbana. Among this project's results is the published volume, *Washington Park: Quincy, Illinois*. The book contains measured drawings, historic and contemporary photographs, and extensive information regarding the development of buildings surrounding Quincy's main square.

*Detail of sanctuary windows, First United Presbyterian Church, Eighth & Broadway, 1876/79-1976. Aspirations in Glass.*

*Phaeton Buggy made by Hynes Buggy Works, 1885. Made in Quincy Exhibit.*

*Ornamental stone carving from old First Presbyterian Church, Eighth and Broadway, 1876/79-1976.*
