

2009 Elm

This is also a $1\frac{1}{2}$ story, brick, ~~etc~~ house. ~~etc~~
~~etc~~ on a stone foundation and is ~~constructed~~
covered by a cross-gabled roof.

There is a one-story entry porch on the
SE corner of the house. The square wood columns
that support the porch are defined ~~at the~~
~~top and base by~~ by bands at the top and
base.

The double-hung window openings are supported
by segmental arches and stone lintels. The
doors ^{openings} are also supported by segmental arches
and have toplights above the door.
